

## Superiors' Meeting

Venue: Sacred Heart Convent, Amritsar  
15 – 16 October 2019

Superiors' meeting was held after the EGC sharing. The first part of the superiors meeting was attended by the whole group who were present for the Province assembly, since it dealt with information concerning the Province which was useful for everyone.

All the animators except Sr. Lissieux Antony of Jaipur community (represented by Sr. Juliet Lakra) were present along with Sr. Teresa Attupuram the Provincial and her councilors, Srs. Jessy Thomas and Teresa Thomas.

The day began with a short prayer conducted by Sr. Kiran Kispotta. Sr. Teresa told the group that she was not going to give any input since the group already had a lot of input from Fr. I. Raj during the Province Assembly. But she gave a lot of information about the Province, shared the issues and concerns of the Province and enlightened and guided the animators as to how they could be better contemplative leaders in their ministry of animation.

At the end of her sharing, before handing over the topics and texts for recollections (January – December 2020) and the passages for Lectio Divina (January – December 2020), she explained to the group how systematically it is arranged starting from our focus on “spiritual leadership” and the means to attain holiness. She also said that the Lectio Divina topics were selected according to the theme of the recollection for each month.

The last part of the whole gathering was to select the prayer partners among the animators and for the communities.
