Sisters Moly Augustine, Kiran Kispotta and Vineetha Miranda of Delhi provincial team joined them later on 16 August. Sr. Lucy Emmanuel, the Provincial and Sr. Vandana Jose, one of the councillors were already here to welcome the others. By the end of the day the house was re-sounding with laughter and joy, greeting and meeting, sharing and caring.

A joint meeting of the two teams took place at Provincialate, Delhi on August 17th and 18th. The two-day sessions were animated in turn by Sr. Lucy Emmanuel and Sr. Sushma Beck. Each day's program commenced with an hour of Eucharistic adoration, led by Sisters Moly Augustine and Kiran Kispotta. Sr. Lucy Emmanuel gave a brief introduction and warmly welcomed everyone to the joint team meeting. Although the members were already acquainted, each person shared a little about herself to foster deeper connections. During the course of those two days, the teams engaged in fruitful discussions on strategies to enhance collaboration between the Indian provinces. 17 August afternoon we had input sessions by Rev. Fr. Soosai Mani, the Provincial of Delhi Jesuits and the Vice president of National CRI, on Leadership and Team Work which focused on improving mission efficacy.

The sessions proved to be insightful, and the joint team meeting was enriching, motivating, and inspiring for all. The discussions laid the foundation for improved collaboration between the Indian provinces, aiming to be more effective instruments in fulfilling the mission.
